Monthly Postcard Order Form

We will send you a proof of your first postcard to ensure we have your personalization exactly the way you want your postcards to look. Once you approve the first postcard, we are able to automate your mailing! We will take responsibility to place your order on time each month with the message you chose. Once you have sent in this order form and your new client order form --we will email you a document to choose your messages for each month.

Please print this form, complete it, scan the form and email it to sam@etouchmarketing.net.
